I am urging my Representative , Marty Knollenberg , to not vote in favor of H.B. 5014. This is a form of class Warfare because I will have to pay a tax on my Medigap Policy (Blue Cross). HMO's and PPO's are going to be exempt . I am senior on Medicare and have a Medigap Policy. The policy is more expensive than the others , but it doesn't mean I am wealthy. I have very low income , I also don't favor Obama Care. Thanks. Jim. Jim Tanner - 4822 Stoddard - Troy Mich.
